MEMORANDUM FOR: Director, Central Intelligence

Howalout Judy

FROM:

Career Trainee, Temporarily Assigned to

DDO/EUR,

STAT

SUBJECT:

Proposed Luncheon with Admiral Turner

Four of my career trainee classmates and I request the pleasure of Admiral Turner's company for a very general and informal Agency-oriented discussion over lunch at, of course, the Admiral's convenience. Our class has not yet been able to meet with Admiral Turner, and we propose this informal lunch as a pro tempore alternative. We hope that the good will as well as the free exchange of ideas which surely will result will profit sufficiently all parties to justify our request for some of the Admiral's time.
